

RTI REQUEST DETAILS

Registration No. :	WLIOI/R/T/24/00008	Date of Receipt :	18/03/2024
Transferred From :	National Centre for Sustainable Coastal Management on 18/03/2024 With Reference Number : NCSCM/R/T/24/00006		
Remarks :	RTI request of Mr. Kapil Kumar is transferred		
Type of Receipt :	Electronically Transferred from Other Public Authority	Language of Request :	English
Name :	KAPIL KUMAR	Gender :	Male
Address :	87 /84 CHOWK, 2 ND FLOOR VARDAN COMPLEX, PRAYAGRAJ, Pin:211003		
State :	Uttar Pradesh	Country :	India
Phone No. :	+91-7839453055	Mobile No. :	+91-7839453055
Email :	kapilroli@yahoo.com		
Status(Rural/Urban) :	Urban	Education Status :	Graduate
Letter No. :	Details not provided	Letter Date :	Details not provided
Is Requester Below Poverty Line ? :	No	Citizenship Status :	Indian
Amount Paid :	0 (RTI fee is received by Ministry of Earth Sciences (original recipient))	Mode of Payment :	Payment Gateway
Does it concern the life or Liberty of a Person ? :	No(Normal)	Request Pertains to :	
Information Sought :	<p>PLEASE PROVIDE INFORMATION ON ECOLOGICALLY AND BIOLOGICALLY SIGNIFICANT AREAS OF ANDAMAN AND NICOBAR ISLANDS AS NOTIFIED BY INDIA</p> <p>1. Please provide details on the EBSAs listed in the Convention on Biological Diversity database within the Marine Ecosystem of Andaman and Nicobar Islands, including their names, geographical coordinates, and ecological significance.</p> <p>2. Kindly furnish copies of the existing management plans and frameworks, if any, developed for each identified EBSA in the Marine Ecosystem of Andaman and Nicobar Islands. Include details on conservation measures, sustainable management practices, and any relevant guidelines in place.</p> <p>3. Include information on any stakeholder consultations, public participation, or involvement of local communities in the formulation or revision of management plans for these EBSAs in the Marine Ecosystem of Andaman and Nicobar Islands. Please provide the relevant documents recording such consultations.</p>		

WILDLIFE INSTITUTE OF INDIA
Right to Information Act, 2005

Apl. No. 147 Qtr. 4 Year 2023-24
Fee - Inward Date 18-03-24

4. What specific agencies or bodies are requested for overseeing the implementation of these management plans in ESBAs within the Marine Ecosystem of Andaman and Nicobar Islands?
5. How is the management of EBSAs in the Marine Ecosystem of Andaman and Nicobar Islands different from the management of other marine and coastal ecosystems in India?
6. For what activities is extracting resources from ESBAs in the Marine Ecosystem of Andaman and Nicobar Islands permitted? Are there any permitted methods for extracting marine resources within EBSAs? If so, please provide details about the regulations and limitations in place.
7. Please identify the major threats faced by the identified EBSAs in the Marine Ecosystem of Andaman and Nicobar Islands, including anthropogenic activities and natural phenomena.
8. What specific measures are being taken to address these threats and ensure the long-term conservation of EBSAs in the Marine Ecosystem of Andaman and Nicobar Islands?
9. How is the effectiveness of current management plans and conservation efforts being monitored and evaluated for each EBSA in the Marine Ecosystem of Andaman and Nicobar Islands?

PLEASE PROVIDE THE FOLLOWING INFORMATION IN REFERENCE TO MARINE PROTECTED AREAS AS REQUIRED DUE TO INDIA'S COMMITMENT TO CBD

10. Kindly provide a list of Marine Protected Areas and their governing bodies in the Marine Ecosystem of Andaman and Nicobar Islands, as notified to CBD.
11. Please provide a copy of the Action Plan in place to ensure adequate ecological representation of Marine and Coastal Biodiversity through each Marine Protected Area in the Marine Ecosystem of Andaman and Nicobar Islands. Kindly provide information on the percentage of marine flora and fauna protected through each Marine Protected Area.
12. Furnish details on the process and degree of connectivity between the established Marine Protected Areas in the Marine Ecosystem of Andaman and Nicobar Islands and their surrounding ecosystems and seascapes.

Original RTI Text : PLEASE PROVIDE INFORMATION ON ECOLOGICALLY AND BIOLOGICALLY SIGNIFICANT AREAS OF ANDAMAN AND NICOBAR ISLANDS AS NOTIFIED BY INDIA

1. Please provide details on the EBSAs listed in the Convention on Biological Diversity database within the Marine Ecosystem of Andaman and Nicobar Islands, including their names, geographical coordinates, and ecological significance.
2. Kindly furnish copies of the existing management plans and frameworks,
